LEGISLATIVE ASSEMBLY

PRIVATE BILLS

Excerpt From Standing Orders Relating to Private Bills

97. No petition for any Private Bill shall be received by the House after the first 10 days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session,

- (a) a printed copy of such Bill;
- (b) a copy of the petition to be presented to the House;
- (c) copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills or Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, 26 ems by 50 ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT, 1967 (Effluent)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Genstar Limited, of 1111 West Hastings Street, Vancouver, B.C., hereby applies to the Director for a permit to discharge effluent from a cement plant located at Tilbury Island, Municipality of Delta, into the Fraser River which flows

west and discharges into the Strait of Georgia, and gives notice of application to all persons affected.

The land upon which the works are located is Lot 2 of Lot 135, Group 2, and of the northeast quarter of Section 24, Township 6, Plan 23570, and Lot 11 of District Lots 27, 134, and 135, Group 2, Plan 34110, NWD.

The discharge shall be located at DPW Fraser River Sounding Range 39.

The quantity of effluent to be discharged is as follows: Average annual daily discharge (based on operating period), 1,440,000 imperial gallons. Maximum daily discharge, 1,440,000 imperial gallons.

The operating period during which the effluent will be discharged is continuous.

The characteristics of the effluent discharged shall be equivalent to or better than Fraser River water, with an anticipated maximum 10°C above river water temperature. It is proposed to draw water from the Fraser River, use it in a closed cooling-water system and return it unpolluted to the river.

The type of treatment to be applied to the effluent before discharge is *nil*.

I, R. J. Hannon, Registrar, hereby certify that a copy of this application has been received by the Greater Vancouver Regional District.

This application, dated on the 19th day of May 1976, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR AMENDMENT
OF POLLUTION CONTROL PERMIT 424-P, PURSUANT TO SEC. 6 OF POLLUTION CONTROL ACT, 1967

Preamble—The advertisement that follows is for the purpose of informing those whose interests may be affected of our intention to construct and operate an additional tailings impoundment facility subject to approval of our application for an amendment of Pollution Control Permit PE-424-P. Those having concerns in this regard should clearly understand that this facility is part of a closed system and that direct discharge of the effluent or any portion thereof to the land surface, or to the Fording River or its tributaries, is neither intended nor permitted.

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (3) of the *Pollution Control Act*, 1967 may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of

the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Fording Coal Limited, of Box 100, Elkford, B.C., hereby applies for amendment to Permit 424-P, issued on July 29, 1971, in favour of Fording Coal Limited.

To authorize additional or other works than those previously authorized, namely, the construction and operation of an additional tailings impoundment. No change in quality or quantity of the effluent is anticipated from the original values set out in PE-424-P.

I, F. E. Bertoia, Secretary-Treasurer, hereby certify that a copy of this application has been received by the Regional District of East Kootenay.

This application, dated on the 10th day of May 1976, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR PERMIT UNDER
POLLUTION CONTROL ACT, 1967
(Effluent)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Gary's Backhoe Service, of Box 10, Forest Grove, B.C., hereby applies to the Director for a permit to discharge effluent from a closed-system septic-tank pumping operation located at 100 Mile House into the ground, and gives notice of application to all persons affected.

The land upon which the works are located is District Lot 4177, southwest quarter of land district, Lillooet.

The discharge shall be located four miles east of 100 Mile House on Forest Grove Road.

The quantity of effluent to be discharged is as follows: Average annual daily discharge (based on operating period), 500 imperial gallons. Maximum daily discharge, 2,000 imperial gallons.

The operating period during which the effluent will be discharged is five days a week.

The characteristics of the effluent discharged shall be equivalent to or better than typical septic-tank sludge and pumpage.

The type of treatment to be applied to the effluent before discharge is none (sludge holding ponds).

I, B. M. Woodward, Secretary-Treasurer, hereby certify that a copy of this application has been received by the Cariboo Regional District.

This application, dated on the 11th day of May 1976, was posted on the ground in accordance with the Pollution Control Regulations.
